PURITY in black & white 35 min Lei 115

Excellent scrub / purified, balanced, hydrated skin

Sea salt from the island of Aphrodite and activated charcoal. Exfoliation should be the weekly care routine for healthy skin, and in the spa is the recommended treatment before any other experience. For gentlemen- "She will appreciate", so it's worth a try! To be suitable for sensitive skin, we crush the sea salt with mortar and pestle, then mix it with the black powder and a teaspoon of honey. Besides the purifying effect, the mineral richness of the sea salt ensures a beautiful and radiant skin at the end. Medicinal charcoal is a re-discovered ingredient that combats the effects of pollution, premature aging and even skin cancers. The skin is moistened with Herculane Thermal Water before scrubbing. A gift for your skin!

DETOX overwrap 50 min Lei 149

Aromatherapy to detox

Exfoliation with activated charcoal and honey, followed by massage and wrapping in shea butter and essential oils with powerful drainage

and detoxifying properties: Laurel, Pine, Basil and Rosemary. Rosemary is a health elixir appreciated since ancient times. "Laurel", worn by Roman emperors, has excellent anti-inflammatory properties. Pine is a diuretic but also an excellent sedative, and Basil is for sure the hero of many Romanian healing legends. Detoxification comes to the aid of those suffering from joint or muscular pain, as well as in case of an increased level of stress.
